Accu-Pure 83 All Natural Coconut Premium Container Blend

ACCU-BLEND COCONUT CONTAINER BLEND is a brand new container blend of all natural organic coconut wax & other natural quality ingredients. It has excellent color retention, jar adhesion, hot and cold scent throw and is very clean burning. No additives are required. It is also blended to eliminate frosting of colored candles and is a one pour blend. It has a smooth surface & burns cooler so it burns longer. As with all natural products, it can vary slightly from batch to batch.

PHYSICAL PROPERTY	ASTM METHOD	TYPICAL SPECIFICATIONS
Congealing Point (F)	D-938	126
Needle Penetration	@ D-1321	50 dmm
Color, ASTM	D-1500	L.05
Appearance		Soft, Creamy, Opaque

HOW TO USE:

Heat to 200-210F degrees, remove from heat source, add fragrance oil and dye, blend and stir while cooling and pour at 200F degrees for best results. For consistent smooth results, it is recommended to pour Hot @200-210F. For thick glass and or cooler room temperatures below 65F, pre-heating the glass is recommended and poured at 200F. For smoother top surfaces, it is recommended to heat lamp the surface after candle has set up. All our natural blends were formulated to pour hot (200 to 210) for slower cooling rate which will result in consistent smoother looking candles and minimize any blooming. Maximum Fragrance load is 8%, but higher fragrance loads should be tested per fragrance.

This product meets FDA requirements for use in non-food articles in contact with food as per 21 CFR 172.880.
